

June Message 2019

It is difficult to believe that we are moving into our final few weeks at SEB. 2018-2019 has been a tremendous year, filled with many great memories and lasting moments. Our hope is that your children have felt nurtured, respected, and have grown in their spiritual and academic development.

As we move into June, please keep our website calendar (<https://siredgarbauer.wcdsb.ca/calendar/>) handy as many exciting events will occur. We invite you to join our awesome school community for all activities. Closing Mass, Talent Show, Mission Day, and Final Assembly are a few. Students will be participating in many celebratory events while maintaining as much structure and routine as possible. It is truly a terrific time of year.

With June, also comes our next year school planning. Please let the office know as soon as possible, if you are not planning on returning next year or have a little one to register for Junior Kindergarten. Our class arrangements will be finalized soon and verified with staffing over the summer months.

We will invite all families back on the first day of school, September 3rd where we will meet on the back-blacktop area, locate your teacher, and make your way into class. In case of rain, we will move into the gym. Our Kindergartens have staggered entries yet grades one to eight will all become settled quickly. First day paperwork will now be available and expected to be completed on-line.

Wishing all our families a fabulous last month of the 2018-2019 school year! Blessings for a safe and memory filled summer!
